

ONRAD, INC.

Full Service Radiology Provider

Address: 1770 Iowa Avenue, Suite 280
Riverside, CA 92507

Phone: 800-848-5876

Custom Solutions: TeleMammography

Partnering with ONRAD

ONRAD's MQSA compliant TeleMammography Solution helps radiology practices keep up with the increasing demand for mammography services. Our experienced Breast Imagers are highly qualified, and all hold an academic appointment at a U.S. University. Service is available nationwide, and reports can be returned as quickly as 24 to 48 hours.

Implementation

It's easy to get started with ONRAD. Our experienced implementation team will manage the process and ensure our service is up and running on schedule.

Our implementation process:

- ONRAD credentialing manager sends necessary applications and paperwork to your facility
- ONRAD works with your practice's IT team to configure modalities and/or VPN
- ONRAD radiologists calibrate their monitors using your facility's phantoms
- ONRAD customizes its report templates according to your facility's specifications
- ONRAD reviews test studies, checks for issues
- ONRAD radiologists begin reading studies

Technology

ONRAD uses a GE Centricity IW PACS with a Cedara digital mammography viewer, which supports CAD. The radiologists read from 5-megapixel monitors made by Totoku or Dome. ONRAD's rigorous Quality Control program complies with MQSA standards and includes the following controls:

- Self-calibrating monitors are inspected by an MQSA physicist once a year
- Documented daily inspections of monitors and calibration status
- Weekly checks using phantoms from the facilities we read for

Radiologists

Samuel Salen, MD
CEO, ONRAD

Medical School: Thomas Jefferson University Medical School, Philadelphia, PA

Residency: Mt. Sinai Medical Center, New York, NY (Internal Medicine) and Temple University, Philadelphia, PA (Radiology)

Academic Appointments: Associate Professor, University of Kentucky, Lexington, KY

Timothy
Blackwelder, MD

Medical School: Loma Linda University, Loma Linda, California

Residency: University of Iowa Hospitals and Clinics, Iowa City, IA

Academic Appointments: Assistant Clinical Professor at Loma Linda University School of Medicine and Associate Professor at The University of Kentucky

Atul Patel, MD

Medical School: Mt. Sinai Medical School, New York, NY

Residency: Montefiore Medical Center, New York, NY (Radiology) and St. Barnabas Medical Center, Livingston, New Jersey (Radiology)

Fellowship: University of Texas, MD Anderson Cancer Center, Houston, TX (Body Imaging)

Academic Appointments: Associate Professor at The University of Kentucky

Lisa Stempel, MD

Medical School: Northwestern University, Chicago, IL

Residency: University of Chicago Hospital, Chicago, IL

Fellowship: Rush University Medical Center, Chicago, IL (Breast Imaging)

Academic Appointments: Assistant Professor of Radiology at Rush University
